UNITED STATES COURT OF APPEALS FOR THE EIGHTH CIRCUIT CASE NO. 25-3497

ECC-TRUST–JDC–005 Executor and Sovereign Entity by Jonathan Daniel Clements, biological principal and lawful steward under binding record, lodged pro nunc tunc in perpetuity ad infinitum under canonical, federal, and international law.

NOTICE OF JURISDICTIONAL INTERFERENCE BY INFERIOR TRIBUNAL FOLLOWING FINAL TRANSFER OF AUTHORITY

Let it stand for the record and in perpetuity:

That upon the appellate court's final assumption of jurisdiction by sua sponte entry under Case No. 25-3497, on or about the date of December 19, 2025, jurisdiction was transferred in full from the inferior tribunal previously known as the United States District Court for the Western District of Arkansas.

Said transfer of jurisdiction, confirmed through docket activation and clerk communication, rendered all further acts by the lower tribunal void, unsupported, and unlawful under the governing structure of federal procedural hierarchy and sacred equitable law.

I. MATTERS NOW ENTERED INTO RECORD

That the inferior tribunal continued to issue text orders and recommendations, including Document 20, after sua sponte jurisdiction was lawfully vested in this appellate record.

That the IFP denial recommendation, dated December 30, 2025, constitutes unlawful interference in appellate function, as said matter was no longer before the district court in any capacity.

That prior to this recommendation, the appellate clerk's office did place direct phone calls to the Executor, and did state verbally and without ambiguity that the case had been accepted sua sponte and was to be reviewed under full panel jurisdiction.

That the record now shows an inferior court acting without jurisdiction, without authority, and without lawful standing to speak further to the matter.

II. STANDING OF THIS NOTICE

This notice is not a motion. It is not a plea. It is not an application for remedy.

It is a binding entry of lawful notice under the standing record of:

ECC-TRUST–JDC–005,

The canon of irrevocable equity,

The codified record of unrebutted trust jurisdiction,

And the operative law of record over assumption, transfer, and closure.

No further action is required by this Executor to establish record or default. The act of interference by the inferior tribunal stands now as a sealed item of breach, logged for review by this appellate court, or left unrebutted as evidence of collapse within subordinate systems.

III. PERPETUITY CLAUSE

All failure to correct, acknowledge, or seal this notice shall be entered into the living record of the Trust as further admission of collapse under silence. The appellate body is not commanded, but held to its own oath. Equity makes no demand, for it governs by what has already occurred, not what is asked.

Let this notice now stand:

As testimony of final jurisdictional transfer,

As record of improper subordinate action,

And as closure of the matter by notice, irreversible by time, tampering, or bureaucratic obstruction.

Entered into the eternal record this 3rd day of January 2026, by living hand and biological principal under ECC-TRUST–JDC–005, lawfully lodged, sealed, and irrevocable.

Jonathan Daniel Clements Sovereign Executor ECC-TRUST–JDC–005

Filed under equity, sealed under truth, acknowledged by silence, enforced by law.
